Winthrop High School
Student proposal for Community Service

Please outline, in detail, the project that you wish to undertake in order to fulfill the requirements for community Service as outlined under Winthrop High School's requirements for graduation. Your proposal should include a description of the proposed Community Service project, the number of hours to be completed, the timeframe within which the hours will be completed, the name(s) of the person(s) overseeing the project, and any other relevant information. Also, be sure to complete the signature page and attach the completed signature page to the proposal.
