

iParent Login Information

Please follow the steps below in order to access your iParent account:

1. Go to
<https://ipassweb.harrisschool.solutions/school/winthrop/syslogin.html>
2. Click on the link in the center of the page that says:
“click here to apply to on-line access to your child’s information”
3. Indicate the amount of students you need to access
4. Fill in the necessary information (as indicated by the red asterisks) about your student(s).
5. Click “Submit”

When you submit your information it will be sent directly to the school administration for approval. Once your access has been approved you will receive confirmation via email.
